

Alexander David

Alexander David has been practicing martial arts for 22 years. He has an extensive competitive history, and has been an Ontario provincial team member for several years. He has competed at 13 Canadian National Championships and has represented Canada at several international competitions.

As an Athlete's representative, Alexander will actively search for funding for athlete development, and promote our Provinces top competitors as well as development programs for our up and coming junior athletes. Alexander is aware of the needs of today's athletes and will represent their best interests.
