How can VHS and the Ontario Karate Federation work together?

VHS is dedicated to supporting student athletes, their families, and the athletic organizations they train with. The VHS administrative, guidance, and partnerships teams provide robust, well-rounded support in any circumstance. Whether assisting with post-secondary applications, course accommodations, transitioning to online learning, or issuing equivalent credits based on out-of-province education, VHS is here to help. As a school with thousands of students from all over the world, there is no question or issue too challenging for the VHS team.

Please reach out to us for more information on VHS and how we can work together.
